

UNI-BOOST® Booster Pump

Model # UNIBOOSTERAP

Inground Pools

So Fresh, So Clean

Quiet Pump Technology Simplifies Pool Cleaning

Keep your pressure side cleaner moving all season long with the 1.5 HP UNI-BOOST® Booster Pump by Intermatic. The DOE and Energy Star 3.0-compliant cleaner pump offers best-in-class technology and unparalleled quiet performance.

In addition to its quiet design, the UNI-BOOST® Booster Pump with included hose kit delivers an extended motor life, which helps pool owners save money over the long run.

UNIBOOSTERAP
UNI-BOOST® Booster Pump

The **UNI-BOOST® Booster Pump** works with all pressure side cleaners!

The **UNI-BOOST® Booster Pump** raises the bar by offering low energy consumption*, top-of-the-line performance, simple installation, quiet operation, and lasting reliability.

Quiet Operation

Totally Enclosed Fan Cooled (TEFC) pump motor runs cooler and quieter

5-Stage Impeller

5-Stage impeller generates optimal water pressure while reducing costs

6' Hose Kit

Included 6' hose kit with 1" and 3/4" universal fittings promotes better flow

Easy Access

Includes large easy access electrical compartment for easy 120 V or 240 V wiring

Compact Design

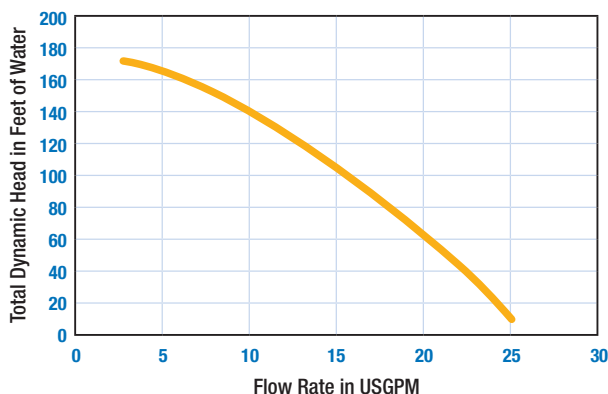

Compact design saves space on the pool pad and facilitates quicker setup

Powerful Performance

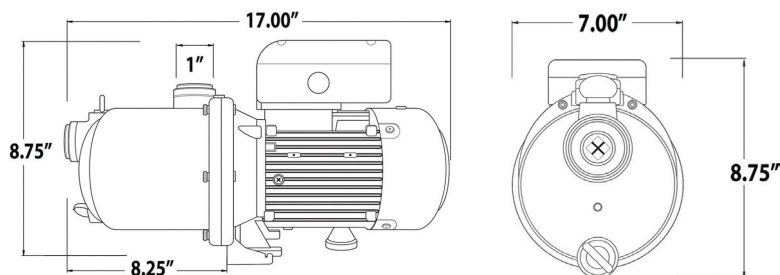

Robust 1.5 HP motor delivers powerful cleaning performance
