

Why FROG® Test Strips?

- It's the only way to ensure Fresh Mineral Water
- It's the only strip with the ideal chlorine range for Flippin' FROG pools
- Most test strips show 0.5 ppm as too low, but it's perfect when using FROG minerals
- FROG Test Strips help dial in the right setting for your pool
- The result: Your chlorine cartridge will last up to 50% longer!

**Ideal Range
with Minerals**

Their "OK" Range
is TOO high!

The only way to ensure

**Fresh
Mineral Water
Easy™**

Complete Pool Care Systems

For Pools 12' to 21'
(2,000-10,000 gallons)

**Fresh
Mineral Water
Easy™**

**For Soft-Sided Pools
from 12' to 18'**
(2,000 to 5,000 gallons)

**For Any Pool Type
from 18' to 21'**
(5,000 to 10,000 gallons)

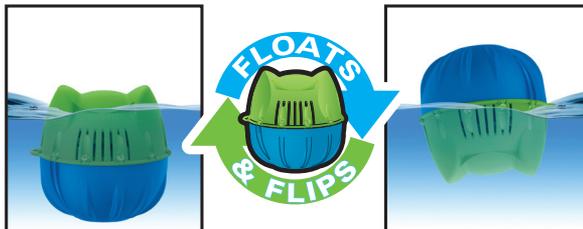

Flippin' FROG provides Fresh Mineral Water that's:

Cleaner - Because it kills bacteria two ways with minerals up to 50%* less chlorine

Clearer - Because it keeps the PH in range for effective pool care

Softer - Because the minerals condition the water for softness

Easier - Because the cartridges are pre-filled for no mess, no guess, no stress pool care!

Minerals last
6 Months

Chlorine lasts
3-4 weeks

**The Complete Pool Care System that
Floats in the pool and Flips over when empty**

* Compared to the minimum EPA recommended chlorine level of 1.0 ppm for a stabilized swimming pool.
