An

# Who, What, When, Where & How

1) **Who**: Pool Owners.

2) **What**: Properly Dispose of Swimming Pool Waste Water.

- 3) **When**: After Routine Maintenance, After Heavy Rainfalls, Before Adding Fresh Water.
- 4) **Where**: NEVER into a storm water sewer! Always onto your own yard.
- 5) **How**: With the Eco Pool Drain Waste Water Fountain!

Use with Sand or Cartridge Filters. Avoid oversaturating your lawn. Move your Eco Pool Drain "Fountain" to a different location with each use. FOR USE WITH PROPERLY BALANCED POOL WATER. SENSIBLE AMOUNTS OF PROPERLY BALANCED POOL WATER IS SAFE FOR YOUR LAWN.
