No. 710SS

The Ideal Way To Bring Equipment To The Pool

PORT - A - PUMP CART No. 710

Longer Handle For Added Convenience. The 12" x 18" base and handle are constructed from heavy duty 18 gauge steel for durability. The parts are iron phosphate coated to help prevent rusting and then electrostatically painted with a blue enamel. The cart features two legs so it cannot easily be tipped over and to keep it from rolling while operating the pump.

Pump Cart

No. 710SS Similar to 710 but all stainless steel construction with non-corrosive wheels.
