PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

ENVIRONMENTAL HAZARDS: This product is toxic to fish and aquatic organisms.

This product is made especially to control the growth of algae in all types of swimming pools. Its long-lasting action will control existing algae and subsequent doses will control recontamination by algae. Treated water can be used immediately-no waiting to swim!

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

WHY YOU SHOULD USE THIS PRODUCT:

Leslie's Swimming Pool Supplies Copper Algaecide is made especially to control the growth of algae in all types of swimming pools. Its long-lasting action will control

existing algae and maintenance doses will control algae re-growth. Treated water can be used immediately-no waiting to swim!

This product will not cause water to foam and will not alter the pH or chlorine content of the water.

For best results, use with Leslie's pool care products. For crystal clear pool water, follow our 4 step pool care program.

Step 1: Test and balance water

Step 2: Sanitize

Step 3: Shock at least once a week

Step 4: Add algaecide as directed

This product comes concentrated. Dilute with at least nine parts of water before applying. Pour required amount into a plastic watering can, fill with water and sprinkle around edge of pool. Apply initial treatment to a freshly filled pool or at first visible signs of algae growth. Apply under sunny conditions for most effective results.

Compatible with bromine, chlorine, salt water, ozone and minerals.

Swimming Pool Capacity	Initial Treatment	Treatment Every Two Weeks
5,000 Gal.	2 ounces	1 ounces
10,000 Gal.	4 ounces	2 ounces
20,000 Gal.	8 ounces	4 ounces

IMPORTANT NOTICE: Always apply chemicals separately. Never combine them.

Take a sample of pool water regularly to your authorized Leslie's dealer for a detailed water analysis.

STORAGE AND DISPOSAL:

Keep this product dry in its tightly closed container when not in use. Store in a cool, dry, well-ventilated area. Keep away from heat or open flame. Nonrefillable container. Do not reuse or refill this container. Rinse empty container thoroughly with water to dissolve all material prior to disposal. Offer for recycling if available. Do not contaminate food or feed by storage or disposal or cleaning of equipment.
