

Edge

The ultimate blend of design,
luxury and technology!

COMPATIBLE WITH
SALT WATER SYSTEMS

ROCKTILES™ wall – 52"

- A combination of wall coatings provides incredibly long-lasting, all-weather protection
- Corrugated steel wall increases durability and resistance to ice and impact damage
- Elegant grey shades to enhance your backyard decor

TOP LEDGE

- Massive 8-inch injected molded resin top ledges
- Incorporates multi-ribbed supports for optimum stability

LEDGE COVER

- Integrated ledge cover
- Two-color contrast provides incredible style

VERTICAL UPRIGHTS

- Injection-molded resin uprights, extra depth for greater stability
- Three-dimensional injection molding means greater detail and solidity
- Features a sophisticated metallic ring at the top of the upright

BUTTRESS-FREE SUPPORT SYSTEM

- Eliminates unsightly struts extending from pool sides on oval pools
- Provides maximum yard space
