

Emotion

Inspiration for a summer destination!

HYBRID

Series

**COMPATIBLE WITH
SALT WATER SYSTEMS**

WAVES™ wall – 52"

- Layers of wall coatings provide long-lasting protection against harsh weather conditions
- Corrugated steel wall protects against ice and impact damage
- High design silver brushed finish

TOP LEDGE

- 7-inch radius injection molded resin top ledge
- Designed with a distinctive look

LEDGE COVER

- Two-piece resin ledge cover
- Made from Synpro™ resin
- Design that hides screws

VERTICAL UPRIGHTS

- Steel uprights in a silver brushed finish
- Resin stabilizers and bottom rails

BUTTRESS-FREE SUPPORT SYSTEM

- Eliminates unsightly struts extending from pool sides on oval pools
- Provides maximum yard space
