About FILBUR

Headquartered in Buena Park, California, FILBUR Manufacturing has been producing pleated pool and spa cartridges for over 15 years. With over 700 cartridge configurations, the company has grown to become the leading supplier of cartridges to pool and spa manufacturers (OEMs) in the United States.

In 2003, the company began manufacturing diatomaceous earth (DE) grids. With a reinforced center for added durability, FILBUR grids set the standard in the industry today.

When you want quality you can trust for your pool or spa, ask for FILBUR products.

PURE 'n CLEAN™
FILTER CLEANER
FOR POOL CARTRIDGES, D.E. GRIDS
AND OTHER SURFACES

SAFE • NON-CORROSIVE • BIODEGRADABLE •
PROFESSIONAL GRADE

PURE 'n CLEAN™

Certified BioPreferred® by the U.S. federal government

A safer, more effective professional grade cleaner, Pure 'n Clean safely removes hard water stains, scale buildup, body oils, suntan lotions, dirt and makeup without the use of harsh chemicals.

- No muriatic (hydrochloric) acid
- No phosphoric acid
- No oxalic acid
- No citric acid

Cleaner cartridges and grids

Pure 'n Clean™ effectively removes buildup on cartridges and grids, restoring efficiency and flow rate for like-new operation without filter fabric damage. Plus as a mild degreaser, Pure 'n Clean easily removes lingering perspiration, suntan lotions and other oils from your filters.

Without Pure 'n Clean

With Pure 'n Clean

Safe for surfaces

Pure 'n Clean removes hard water stains and scale on hard surfaces in the pool area, including:

- Tile – will not etch surfaces like acid cleaners
- Glass
- Chrome
- Rubber
- Plastic
- Aluminum

Use Pure 'n Clean on patio furniture, pool equipment, windows and doors, acrylic spas, boats and more. Plus Pure 'n Clean won't harm grass or plants!

Easy to use

Just apply Pure 'n Clean with a trigger sprayer and let the solution do the work. For big jobs, apply Pure 'n Clean with a pump sprayer.
