**Color Changing
LED POOL/SPA LIGHT**

Halco ProLED® Color Changing LED Pool and Spa Lights feature multiple colors and light shows to turn your pool into a backyard oasis. The optical diffuser lens makes the color throughout the water appear rich and vibrant, and eliminates hot spots of different colors on the bottom of the pool. The Halco ProLED® Pool & Spa Light installs quickly and easily providing immediate energy cost savings over incandescent lights. It operates effectively with most popular automation systems such as Pentair® and Jandy® as well as the lights can be controlled with a simple on/off switch.

Features:

- RGBW Color Changing
- Long Life LED
- Uses up to 90% Less Energy Than Incandescent
- Rugged Marine Grade Stainless Steel Construction
- Compatible with Most Manufacturers In-ground Pool/Spa Niches
- Diffuser Lens
- Pool and Spa Sizes

Seven Light Shows

Five Solid Colors

Color Changing LED POOL/SPA LIGHT

Dimensions

	Pool FLCWP Series	Spa FLCWS Series
A	3.4"	2.9"
B	3.9"	3.5"
Lens Dia.	6.0"	2.9"
Faceplate Dia.	10.5"	5.7"
Pilot Hole/Catch Tab		
Standard Fixture Version	9 1/2" Center-to-Center	
SwimQuip Fixture Version*	8" Center-to-Center	

*Halco ProLED®'s faceplate diameter is larger than the standard SwimQuip faceplate. Ensure there is enough even surface for fixture faceplate to fit flat against pool wall.

Color Changing Instructions (when controlled with a light switch)

Power Cycle:

The action of turning the light fixture power switch off/on.

Change Light Show/Solid Color:

Power cycle the corresponding number of times shown next to the light show/solid colors.

Color Lock (Lock on color while in light show):

Power cycle thirteen (13) times.

Return (Return to last saved Color Lock):

Power cycle fourteen (14) times.

Reset/Synchronize:

Power cycle the corresponding number of times shown next to the light show/solid colors.

Note: During power cycle selection process, before the desired light show or color is displayed, there will be a moment without illumination. This is a normal function.
