Sun Sorb™

Stops Grease, Grime and Waterline Scum.

Sun Sorb™ attracts up to 40 times its weight in residual suntan oils, body oils, grime and scum. It will not clog in waterlines.

When loaded with oil, turn **Sun Sorb™** over to extend life and double the amount of oil absorption.

Replace every 30 Days
(order number 401341)

Spring Opening Instructions

Before using this kit,

- A.** Remove debris and pump water from cover.
Remove cover, clean, dry and store.

- B.** Clear any debris from skimmers and main drains, and fill pool.

- C.** Inspect the pump, filter, and heater.
Install all drain plugs and begin filtering.
