

**Jacuzzi JCRX
Robotic Cleaner**

Jacuzzi JCRX Robotic Cleaner with Caddy

- Strong Suction Power — Pulls in dirt and large debris
- Complete Coverage — Climbs walls, cleans pool floor and maneuvers obstacles with ease
- Large Illuminated Debris Basket — A clear lid and interior light let you see when the debris basket is full (Leslie's Exclusive)
- Rotating Scrubbing Brushes — Directs dirt up and into the debris basket for more effective cleaning
- Retrieval Mode — Brings cleaner to the wall to surface for simple, lightweight removal at the touch of a button
- 60 ft Tangle-Free Cord — Twirling design prevents cord tangling
- Cleaner Caddy — Transport and store cleaner with ease (Assembly requires no tools)
- Two Cleaning Cycles — Choose between floor cleaning or floor, walls and waterline
- Treads — All terrain tank treads traverse pool surfaces and obstacles

Part No. Description
