## JHX85

Extend your swimming season by consistently heating your pool. Jacuzzi® Pro Grade Heat Pump is all-electric, making it the most efficient way to heat your pool or spa. This leading-edge technology provides a 100% pure, commercial-grade titanium heat exchanger and an innovative silent series product design. Now featuring an industry-first Savings Optimizer, the Jacuzzi® Pro Grade Heat Pump will save you up to thousands annually while reducing noise and extending the life of your heat pump. All backed by an exclusive industry-best 8-Year Warranty.

Available in 85K, 127K and 140K BTU
