

PROFESSIONAL GRADE IN-LINE CHLORINATOR

EASY, CLEAN AND SAFE SANITIZATION

Jacuzzi® Professional Grade JAC90i In-Line Chlorinator is the easy, clean and safe way to chlorinate your in-ground or above-ground swimming pool.

• JAC90i IN-LINE CHLORINATOR

The Jacuzzi® In-Line Chlorinator In-Line Automatic Pool Chemical Releaser is a more efficient use of slow-dissolving chlorine or bromine tablets and sticks. The external fine-control valve provides precise feed adjustments and offers a top-loading design to help you reduce contact with harsh chemicals. It is completely enclosed to prevent escaping fumes.

Off-Line version also available
