

Metalfree™ Instructions

Directions for use:

This product is designed for use in properly balanced pool water.

Initial Dose: Add 1 bottle (33.9oz) per 20,000 gallons to the pool water evenly around edge.

Weekly Maintenance Dose: Each week, add 1 capful (4 oz) per 10,000 gallons to the pool water evenly around edge.

Note: Take caution to not spill or splash Metalfree on deck or coping. **Do not use with biguanides.**
