

## **PAL Lighting Limited Warranty**

The PAL Lighting line of products, manufactured by Bellson Electric, PTY, LTD in Sydney, Australia, are warranted against defects in materials or workmanship, under normal domestic use for a period of (12) twelve months after installation.

Except as otherwise provided for by law, this warranty is voided if, in the opinion of Bellson Electric, the product has been misused, abused, damaged in transit, incorrectly installed, or connected to an electrical supply not complying with the product specifications.

Bellson Electric is not responsible for return freight, forwarding freight charges, or losses in transit. If any part of the product proves to be defective within the warranty period, the defective part will be repaired or replaced, free of charge, and at the discretion of Bellson Electric or its USA Agent, Horizon Spa & Pool Parts, Inc. Call your installing dealer right away to ensure there no other conditions present which could affect the proper operation of the product.
