

# ← POOL BOY →

## Dreading using your solar blanket?

### STOP STRUGGLING!

The Pool Boy® Powered Reel System provides a fast and convenient way to uncover and cover your pool. The Pool Boy® design offers effortless operation by one person in under one minute. Eliminate hand cranking and tugging on solar blankets.

### START RELAXING!

## DOES THE INCONVENIENCE OF YOUR MANUAL REEL KEEP YOU FROM SAVING UP TO \$1700 EVERY YEAR?

The first years energy cost savings is often greater than the cost of the Pool Boy® system.

Savings by Location\* when solar covers are used regularly

LOCATION	SEASON	UNCOVERED	WITH SOLAR BLANKET	SAVINGS
Atlanta	Apr - Oct	\$1798	\$339	\$1459
New York	May - Sept.	\$1523	\$237	\$1286
Chicago	May - Sept.	\$1658	\$237	\$1,421
Denver	May - Aug.	\$1696	\$134	\$1562
Boston	May - Aug.	\$1677	\$262	\$1415
Minneapolis	Jun. - Sept.	\$1421	\$198	\$1223

\* Figures based on outdoor pool heated to 80°F with an 80% efficient natural gas heater. Source: US Department of Energy

### ADDITIONAL BENEFITS

- Energy cost decrease of up to 75%
- Conserve water
- Reduce the pool's chemical consumption

### THE REMOTE CONTROL MAKES IT EASY TO OPERATE!

At the heart of the Pool Boy® design is the remote operating system. The remote control is completely waterproof and floats.

Your POOL BOY® can easily extend and retract with the push of a button!
