PB4-60

The Power Behind Polaris

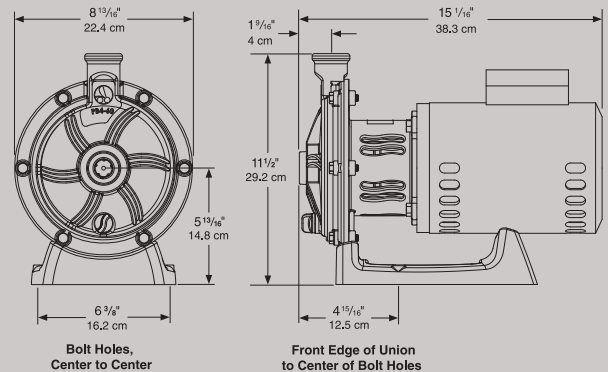

The new and improved PB4-60 delivers high-performance power, quiet operation, and Polaris durability. The PB4-60 is the power behind Polaris.

For more than 20 years, Polaris pressure pumps have been the benchmark for powerful Polaris cleaner performance. Polaris pressure pumps are specifically designed to operate your cleaner at optimum cleaning efficiency. The compact, rugged design allows for maximum performance.

- Ultra high efficiency 3/4 horsepower motor
- New and improved easy pump seal replacement
- Heavy duty single piece base
- Captured backplate nut fasteners
- Ergonomic drain plug with o-ring
- New larger volute seal o-ring
