## TOP LEDGE

- 7-inch steel top ledge
- Texture-Kote protective finish provides long-lasting protection against scratching and corrosion

## VERTICAL UPRIGHTS

- Steel uprights with Texture-Kote protective finish
- Steel omega stabilizer and bottom rail galvanized for long-lasting protection

## LEDGE COVER

- One-piece resin ledge cover
- Durable, rustproof and attractive
- Also used for foot covers

## RENAISSANCE™ wall – 52"

- Layers of protective wall coatings provide long-lasting protection against scratching and from the sun's harsh ultra violet rays.
- Built from steel for long-lasting durability
- Stylish, warm grey coloring

## BUTTRESS-FREE SUPPORT SYSTEM

- Eliminates unsightly struts extending from pool sides on oval pools
- Provides maximum yard space
