Who Can buy?

Pool Builders can now offer an affordable "designer brand" product when installing a skimmer lid.

Service Professionals can upgrade their clients pools by offering a replacement skimmer lid with enduring elegance.

Home Owners can easily install a Premium Skimmer Lid without any hassle. The Premium Skimmer Lid fits in most skimmers, and can be ordered directly from Casa Newport, a pool supply store, or through your service professional. (Go to CasaNewport.com or email: sales@CasaNewport.com)

It's all about the details.

Casa Newport is all about the details.

It is a new company based out of Southern California founded on designing, and producing new and innovative premium accents to the outdoor living community.

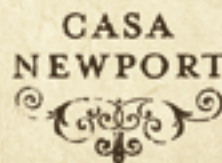

The first product introduced is the Casa Newport Premium Skimmer Lid Collection. The design detail of the lid adds a beautiful upgrade appeal to the pool landscape.

The Premium Skimmer Lid is the answer to the common "eyesore" white skimmer lid that rest next to beautiful pools around the world.

Casa Newport adds the finishing touch to outdoor living.
