NEW!
Pool & Spa Products

clear Concentrated 4 IN 1 Clarifier

Natural Chemistry introduces '**CLEAR**' - a new all natural, chitosan based clarifier. **CLEAR** is more highly concentrated than most available clarifiers (1oz treats 7000 gallons). This new product will be an attractive, bright blue color in a clear 32oz bottle. The product will be added by simply utilizing a flip up cap and applying the product directly to the pool. Order your supply today!

Product Features & Benefits:

- **all natural - chitosan based clarifier**
- **highly concentrated**
- **easy to use - cannot overdose**
- **attractive bright blue product in clear bottle**
- **saves time & money - especially service companies**

No matter what clarity issues your customers are dealing with, this is the product to use. **CLEAR Concentrated 4 IN 1 Clarifier - Performance Guaranteed!**
