POOL CARE

GETTING STARTED

This innovative pool care system works automatically and ensures an effortless clean pool, all year round! The Daily Dose system, paired with the Pure Pack, provides a hassle-free, eco-friendly solution to keep your pool clean and perfect all year long.

DAILY DOSE

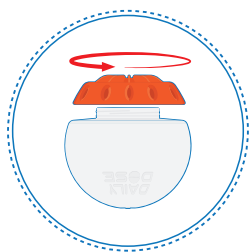

The Daily Dose is a reusable container that works automatically through smart technology. The first-ever precision-dosing system for effortless pool care—delivers the perfect amount of treatment daily to keep water balanced and clear. No measuring, no mess—just load the Daily Dose with a Pure Pack, toss it in, and enjoy worry-free maintenance all season long. The Daily Dose treats pool water every day to keep ahead of problems proactively versus, treating a problem that has already occurred.

PURE PACK

Pure Pack Sheets and Pure Pack Liquid Pouches are designed for use with the Daily Dose precision dispenser, delivering the industry's best concentrations for perfect, waste-free precision dosing. Pure Packs are specifically formulated to fit a variety of pool maintenance needs. Each Pure Pack dissolves into a high-powered concentrated treatment that the Daily Dose dispenses, automatically, to keep your pool crystal-clear for up to 30-days.
