

MagicStream®

Deck Jet II

By Pentair Water Pool and Spa®

Enhance your pool experience with movement and sound

MagicStream® Deck Jet II creates a graceful arc of water that enters your pool with a gentle splash. The stream seems to appear magically from your pool deck since the jet installs flush and out of sight. The result is a visual focal point that's simply captivating and a soothing sound that enhances the serenity of your backyard escape. Install one or several jets to enhance the overall sensory experience of your poolscape.

- Water stream height is adjustable to a maximum of six feet. Water direction is adjustable up to 360°.
- Easy-to-adjust nozzles enable your creativity—concentrate all streams into a single entry point, overlap streams of different heights, or create a symmetrical, multi-stream archway...and more.
- Polished bronze-colored plates provide an elegant, quality finish.

MagicStream® Deck Jet II

Graceful arcs. Gentle sounds.

MagicStream® Deck Jet II can be cast into concrete decks or integrated into surrounding landscapes.

Features include:

- Quality design assures low water flow requirements and eliminates any concerns about standing water or unwanted debris collection.
- Jets install flush to surfaces; no unsightly or unsafe edges.
- Spray height and direction easily adjusted to alter visual effects.

NOTE TO POOL PROFESSIONALS:
