

# Econoline™ 1 Meter Stand

A durable, all-purpose diving tower for commercial aquatic facilities.

- Made of carbon steel, coated with a primer – we recommend a high-quality acrylic urethane enamel for a durable finish.
- Pair with 12' or 14' diving boards to find the right size for your commercial diving pool.
- Platform tray has two 6" slots for proper fulcrum placement and adjustment.
- 1.90" OD, .065" wall stainless steel handrails are not included but are required.

Pairs with:

Eureka (14' only)

Frontier III Commercial

Swim Club

Olympian
