FIRE AND WATER ELEMENTS

COMMERCIAL AND RESIDENTIAL

GRAND EFFECTS

Why not turn your ordinary jobs into the extra ordinary! Grand Effects, known for its beautiful fire and water features at well known resorts and hotels has developed a residential product line. All of our Fire and Water features incorporate either full automation or manual operation using a CSA/AGA approved burner system. Our system is safe and easy to install. Builders and homeowners can choose from a variety of beautiful decorative designs and finishes that will enhance their designs. *Not just for resorts anymore!*

“GRAND EFFECTS
is my choice for
Fire Features.”

- Criss Angel
(MIND FREAK)

*Awarded “Magician
of the Century”*
