

ColorGlo™ MULTI-COLOR LED PORTABLE SPA LIGHTS

Long-Lasting & Color-Rich
Portable Spa Illumination

COLORGLO MULTI-COLOR LED PORTABLE SPA LIGHTS

are easy to install in any size spa. Choose from two different models. The *RAYDIANCE™* light is ideal for larger spas, with 24 ultra-bright ColorGlo LEDs. For smaller spas, the 9-LED *SPARKLER™* light is an excellent solution.

CREATE the perfect mood and ambience. Your customers will enjoy 10 distinct lighting modes to choose from, including four spectacular multi-color light shows. Each light installs quickly in most 12VAC wedge-based fixtures, and selecting the perfect lighting mode is as easy as turning the light on and off again. Offer your customers an alternative to those ordinary, boring and white lights that only last a year or two. ColorGlo offers multi-color illumination that lasts up to 100,000 hours. That's more than 11 years of use!

EMPOWER your customers with choice. Recommend the ColorGlo Multi-Color LED Portable Spa Light and give them their ultimate spa experience. Backed by a 5-year warranty and great pricing, it is the perfect solution to help boost your sales and increase profits.

FEATURES & BENEFITS:

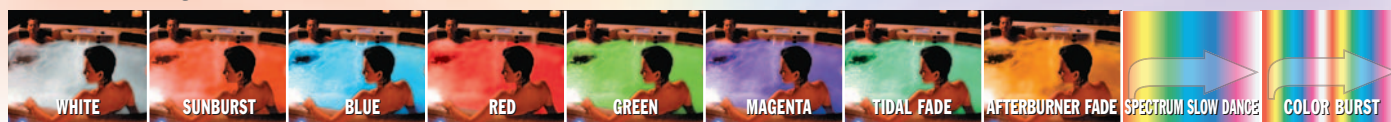

- Available in two models to illuminate any size spa
- 10 dramatic & exciting lighting modes to explore
- Easy to install - as simple as replacing a light bulb
- Fits most 12VAC, wedge-based sockets*
- Ultra-bright LEDs last over 100,000 hours
- 5-year warranty
- Advances through lighting modes by turning light off then on again. Easy to operate.

*ColorGlo Multi-Color LED Portable Spa Lighting is not designed to operate in spas with dimming systems
