

### PLT 204

Rugged molded Poly Composite housing with weather resistant finish  
 Deep Blue 10000 - 10,000 hour Lamp Life  
 Weatherproof lens and gasket IP-65  
 Weather Rating  
 No-rust stainless steel external hardware  
 Rugged Stainless Steel mounting band  
 4000 lumens at 40 watts (100 lumens per foot ft)

Item #	Qty	Weight
PLT 204	1	1.2 lbs

#### Technical Specifications

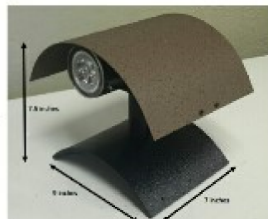

**Shipping:**  
 UL Listing Suitable for wet locations.  
 IP-65 Rated

**Construction:**  
 Molded Polycarbonate base with Aluminum Shield with color customized synthetic coating.  
 Wind Tunnel tested to 100 mph @ Atmospheric Conditions.

**Housing:**  
 Precision die cast aluminum.

**Electrical Voltage:**  
 12 volt

**Optical Lamp:** Cree® Enhanced LED - 40 watt.

### PTL220

Rugged die cast aluminum housing with polyester powder coat.  
 Fresh Deep Glass Shield  
 Weatherproof lens and gasket  
 IP-65 Weather Rated  
 No-rust stainless steel external hardware  
 Rugged Stainless Steel mounting band  
 Color Changing (16 colors) with remote control operation  
 4000 lumens at 40 watts (2000 lumens per foot ft)  
 Variable lighting control - up to 100% brightness reduction  
 Functions include: Fade, Fast, Strobe and Smooth color changing  
 50,000 hour Lamp Life

#### Lamp Info

Type:	LED	Type:	LED
Watts:	18W	12V:	STD
Shape/Size:	7" x 4" x 2"	Input Watts:	40W
Base:	Molded Poly		
ANSI:	NA		
Beam:	60° Beam		
Lamp Lumens:	2000 Each		

#### Dimensions

Weight: 3.2 lbs.

#### Technical Specifications

**Listing:**  
 UL Listing  
 Suitable for wet locations. IP-65 construction

#### Construction

Molded Polycarbonate base with Aluminum Shield with color customized synthetic coating.  
 Wind Tunnel tested to 100 mph @ Atmospheric Conditions.  
**Finishing:**  
 Precision die cast aluminum.

#### Electrical

Voltage: 12V/120 volt

#### Optical

Lamp PCB  
 8 Cree® H350 Bulbs, 20 watt.
