Commercial Grade Power For Cleaning Residential Pools!

The POOL BLASTER MAX CG by WATER TECH is a commercial grade cleaner for any residential or commercial pool. The Max CG uses an Ultra-High Flow Output pump which provides 33% more suction than the original Pool Buster Max. The integrated spot clean corner nozzle assures that every inch of the pool is clean. The Pool Blaster MAX CG contains its own easy-to-clean, reusable, large capacity filter bag.

The Pool Blaster CG System Includes:

- Hi-flow vacuum motor
- On-board debris catcher with reusable, all-purpose and microfilter bags
- Built in hanging storage notch
- Quick release telescopic pole connector
- Easy-grip handle for cleaning steps, stairs & any surface
- Equipped with wheels for ALL pools and spas
- Brushes for vinyl and fiberglass pools and spas
- Spot-cleaning corner nozzle
- Dent, ding, and fade resistant lightweight body
